# **I. INTRODUCTION**

## **A. PURPOSE OF THIS REQUEST FOR PROPOSALS**

The purpose of the Request for Proposal (RFP) is to solicit sealed proposals to establish a contract through competitive negotiations to procure professional audit services. The New Mexico Office of the State Treasurer (STO or Agency) is requesting proposals (RFP) from qualified firms of certified public accountants to perform the annual financial and compliance audits of the Agency for the fiscal years ending June 30, 2024, June 30, 2025, June 30, 2026, and June 30, 2027. The selected firm (Offeror, Contractor, or Auditor) will perform the audit in accordance with auditing standards generally accepted in the United States of America, Government Auditing Standards, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, the Audit Act and the Audit Rule (NMAC Section 2.2.2.1 et seq.).

## **B. BACKGROUND INFORMATION**

STO was created under Article V, Section 1 of the New Mexico Constitution. The duties and responsibilities of the State Treasurer are primarily defined by Chapters 6 and 8 of the New Mexico Statutes Annotated 1978 (NMSA 1978). These and other Chapters of the New Mexico Statutes require a) the Treasurer to act as the State's banker to receive, keep, and account for State funds collected and disbursed, and b) define the State Treasurer's banking, cash management, and investment roles. The principal statutory provisions related to the State Treasurer's prudent management of the State's financial resources and investment authority are listed below:

Sections 8-6-1 through 8-6-7 NMSA 1978 specify administrative and procedural requirements and define certain duties of the State Treasurer. Section 8-6-3 provides that, among other responsibilities, the State Treasurer shall "receive and keep all monies of the State, except when otherwise specially provided" and "disburse the public money upon warrants drawn according to law." This section also requires that the State Treasurer shall "keep a just, true, and comprehensive account of all monies received and disbursed."

Section 6-1-13 NMSA 1978 provides that the State Treasurer shall authorize all deposit accounts for State agencies and prescribe conditions and reports appropriate to such accounts.

Section 6-8-6 NMSA 1978 places the State permanent fund in the custody of the State Treasurer; and provides that the State permanent fund, or any part of the fund, shall at all times be available to the State Investment Officer for investment in accordance with State law.

Section 6-8-11 NMSA 1978 places in the custody of the State Treasurer securities purchased or held by the State Investment Officer or the State Investment Council and authorizes the State Treasurer, with the approval of the Secretary of the Department of Finance and Administration, to deposit the securities with a bank or trust company for safekeeping and servicing.

Section 6-10-10 NMSA 1978, in part, permits the State Treasurer to deposit funds in certain financial institutions and to invest, in certain allowable securities and contracts, money not immediately required for the operation of the State government.

Section 6-10-10.1 NMSA 1978 creates a short-term investment fund, which serves as an optional investment opportunity for local governments and Native American tribes, nations, and pueblos; and provides for the investment of the fund, either separately or consolidated with other funds, by the State Treasurer.

Sections 6-10-24.1, 6-10-25, 6-10-26, and 6-10-29 NMSA 1978 place conditions on the deposit and investment of State funds in New Mexico financial institutions; provide for reports from the State Treasurer concerning money on deposit in State depositories, including the amount required for operation of State government and the amount available for investment; and require depositories to submit an itemized monthly statement concerning the deposits to the State Treasurer.

Section 6-10-24.2 NMSA 1978 establishes the linked deposit program, which allows the State Treasurer to invest up to 14% of State deposits, not to exceed \$49 million, in certain financial institutions located in financially at-risk rural communities; places conditions on the deposit of State funds in these financial institutions; and authorizes the State Treasurer to accept a rate of interest not more than 1% below the market rate.

Section 6-10-28 NMSA 1978 allows the State Treasurer to invest the proceeds of general obligation and State revenue bonds.

Section 6-12A-5 NMSA 1978 permits the State Treasurer to issue and sell one or more tax revenue anticipation notes; and permits the State Treasurer to pledge the anticipated revenue to secure the payment of the principal and interest on the anticipation notes.

In summary, STO's performs the following functions:

- Provide banking assistance and services to State agencies. The cash management function of the State Treasurer's Office includes accepting money for deposits (through the fiscal agent bank), processing withdrawals, reconciling all bank transactions and balances, and managing securities used as collateral in accordance with Federal Reserve requirements. The State Treasurer's Office acts as the state's bank and records the receipt and disbursement of all state money defined by statute as being in the custody of or payable to the State Treasurer.
- Validate bank activity. The State Treasurer's Office validates deposits and withdrawals into and out of the state's fiscal agent accounts, including all adjustments to the accounts, such as returned checks, stop payments, and other miscellaneous bank account transactions. This process helps identify and eliminate fraudulent activity.
- Act as paying agent on the State's outstanding debt/bond issues. The State Treasurer's Office is the paying agent for state-issued bonds and is required to make all debt payments to designated payees on scheduled maturity dates.

- Manage and invest the state’s operating cash. The Chief Investment Officer invests money in the custody of the State Treasurer’s Office that is not immediately needed for the operations of the state government. In accordance with this fiduciary responsibility, all investments made by the State Treasurer’s Office must follow three fundamental principles: safety, liquidity, and yield, prioritized in that order. The State General Fund Investment Pool (SGFIP) is approximately 10.1 billion as of January 2024.
- Manage and invest the state’s bond proceeds until needed for project costs. The State Treasurer’s Office is responsible for investing bond proceeds from the issuance of general obligation bonds, severance tax bonds, and supplemental severance tax bonds, which are long-term obligations issued by the State of New Mexico to fund various infrastructure projects on behalf of the State of New Mexico. The Bond Proceeds Investment Pools (BPIP) amount to approximately \$3.6 billion as of January 2024.
- Manage and invest the New Mexico Local Government Investment Pool (LGIP) on behalf of New Mexico’s local governing entities. The LGIP is a Standard & Poor’s AAAM-rated money market fund offered by the State Treasurer’s Office to eligible local public bodies. The State Treasurer’s office’s ability to combine money received from local public entities into an investment pool offers these entities greater purchasing power and the economy of scale necessary to secure the best yields with the lowest possible participant fees. The LGIP portfolio is approximately \$1.8 billion as of January 2024.
- Enforce the State’s collateral policy on financial institutions holding State money. Collateral ensures adequate protection of State money deposited by agencies in local banks, the State’s fiscal agent account, and ancillary receivership deposits. The State Treasurer’s Office’s Collateral Section reviews, tracks, and reconciles collateral pledged by financial institutions to secure public deposits.
- Launch, manage, and administer Special Programs established by mandate. STO is responsible for the New Mexico State Treasurer’s Achieving a Better Life Experience (NM STABLE) program, and as of January 2024, there are 1361 active ABLE accounts with over \$13.1 million in Assets Under Management. In the second session of the fifty-sixth legislature, STO received a \$160,000 special appropriation from the Government Results and Opportunity Program fund for FY25/FY26 to develop a coalition to study the Baby Bonds program. Funding is also permitted for outreach, and Financial Literacy and Women Empowerment Economic programs under STO.

STO manages approximately \$15.5 billion in aggregate as of January 2024. STO operates on an annual budget of \$4.9 million, with \$2,000 derived from federal funds.

The contents of all submitted proposals will be kept confidential until the Agency has completed the final award. At that time, all proposals and documents pertaining to the proposals will be available for public inspection, *except* for proprietary or confidential material as follows:

- a. ***Proprietary and Confidential information is restricted to:***
  1. confidential financial information concerning the Offeror's organization; and
  2. information that qualifies as a trade secret in accordance with the Uniform Trade Secrets Act, §§57-3A-1 through 57-3A-7 NMSA 1978.
- b. An additional but separate redacted version of the Offeror's proposal, as outlined and identified in Section III.B.2.a, shall be submitted containing the blacked-out proprietary or confidential information in order to facilitate eventual public inspection of the non-confidential version of the Offeror's proposal.

Unless the Offeror takes legal action to prevent the disclosure, the proposal will be so disclosed. The proposal shall be open to public inspection, subject to any continuing prohibition on the disclosure of proprietary or confidential information.

## **9. No Obligation**

This RFP in no manner obligates the State of New Mexico or any of its Agencies to the use of any Offeror's services until a valid written contract is awarded and approved by appropriate authorities.

## **10. Termination**

This RFP may be canceled at any time, and any and all proposals may be rejected in whole or in part when the Agency determines that such action is in the best interest of the State of New Mexico.

## **11. Sufficient Appropriation**

Any contract awarded as a result of this RFP process may be terminated if sufficient appropriations or authorizations do not exist. Such terminations will be affected by sending written notice to the contractor. The Agency's decision as to whether sufficient appropriations and authorizations are available will be accepted by the contractor as final.

## **12. Legal Review**

The Agency requires that all Offerors agree to be bound by the General Requirements contained in this RFP. Any Offeror's concerns must be promptly submitted in writing to the attention of the Procurement Manager.

### 13. Governing Law

This RFP and any agreement with an Offeror which may result from this procurement shall be governed by the laws of the State of New Mexico.

### 14. Basis for Proposal

Only information supplied in writing by the Procurement Manager or contained in this RFP shall be used as the basis for the preparation of Offeror proposals.

### 15. Contract Terms and Conditions

The contract between an agency and a contractor will follow the format specified by the Agency and contain the terms and conditions set forth in the Draft Contract Appendix C. However, the contracting agency reserves the right to negotiate provisions in addition to those contained in this RFP (Draft Contract) with any Offeror. The contents of this RFP, as revised and/or supplemented, and the successful Offeror's proposal will be incorporated into and become part of any resultant contract.

The Agency discourages exceptions from the contract terms and conditions as set forth in the RFP Draft Contract. Such exceptions may cause a proposal to be rejected as nonresponsive when, in the sole judgment of the Agency (and the Evaluation Committee), the proposal appears to be conditioned on the exception or correction of what is deemed to be a deficiency or an unacceptable exception is proposed which would require a substantial proposal rewrite to correct.

Should an Offeror object to any of the terms and conditions as set forth in the RFP Draft Contract (APPENDIX C) strongly enough to propose alternate terms and conditions in spite of the above, the Offeror must propose **specific** alternative language. The Agency may or may not accept the alternative language. General references to the Offeror's terms and conditions or attempts at complete substitutions of the Draft Contract are not acceptable to the Agency and will result in disqualification of the Offeror's proposal.

Offerors must provide a brief discussion of the purpose and impact, if any, of each proposed change followed by the specific proposed alternate wording.

If an Offeror fails to propose any alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror), no proposed alternate terms and conditions will be considered later during the negotiation process. Failure to propose alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror) is an **explicit agreement** by the Offeror that the contractual terms and conditions contained herein are **accepted** by the Offeror.

## **16. Offeror's Terms and Conditions**

Offerors must submit with the proposal a complete set of any additional terms and conditions they expect to have included in a contract negotiated with the Agency. See Section II.C.15 for requirements.

## **17. Contract Deviations**

Any additional terms and conditions, which may be the subject of negotiation (such terms and conditions having been proposed during the procurement process, that is, the RFP process prior to selection as successful Offeror), will be discussed only between the Agency and the Offeror selected and shall not be deemed an opportunity to amend the Offeror's proposal.

## **18. Offeror Qualifications**

The Evaluation Committee may make such investigations as necessary to determine the ability of the potential Offeror to adhere to the requirements specified within this RFP. The Evaluation Committee will reject the proposal of any potential Offeror who is not a Responsible Offeror or fails to submit a Responsive Offer as defined in §13-1-83 and §13-1-85 NMSA 1978.

## **19. Right to Waive Minor Irregularities**

The Evaluation Committee reserves the right to waive minor irregularities, as defined in Section I.F.19. The Evaluation Committee also reserves the right to waive mandatory requirements, provided that **all** of the otherwise responsive proposals failed to meet the same mandatory requirements and the failure to do so does not otherwise materially affect the procurement. This right is at the sole discretion of the Evaluation Committee.

## **20. Change in Contractor Representatives**

The Agency reserves the right to require a change in contractor representatives if the assigned representative(s) is (are) not, in the opinion of the Agency, adequately meeting the needs of the Agency.

## **21. Notice of Penalties**

The Procurement Code, §§13-1-28 through 13-1-199 NMSA 1978, imposes civil, and misdemeanor and felony criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for bribes, gratuities and kickbacks.

## **22. Agency Rights**

The Agency in agreement with the Evaluation Committee reserves the right to accept all or a portion of a potential Offeror's proposal.

### **23. Right to Publish**

Throughout the duration of this procurement process and contract term, Offerors and contractors must secure from the agency written approval prior to the release of any information that pertains to the potential work or activities covered by this procurement and/or agency contracts deriving from this procurement. Failure to adhere to this requirement may result in disqualification of the Offeror's proposal or removal from the contract.

### **24. Ownership of Proposals**

All documents submitted in response to the RFP shall become property of the State of New Mexico. If the RFP is cancelled, all responses received shall be destroyed by the Agency or SPD.

### **25. Confidentiality**

Any confidential information provided to, or developed by, the contractor in the performance of the contract resulting from this RFP shall be kept confidential and shall not be made available to any individual or organization by the contractor without the prior written approval of the Agency.

The Contractor(s) agrees to protect the confidentiality of all confidential information and not to publish or disclose such information to any third party without the procuring Agency's written permission.

#### 1. B.1 Organizational Experience (See Table 1)

Points will be awarded based on the thoroughness and clarity of the Offeror's response in this Section. The Evaluation Committee will also weigh the relevancy and extent of the Offeror's experience, expertise, and knowledge of personnel education, experience, and certifications/licenses. In addition, points will be awarded based on the Offeror's candid and well-thought-out response to successes and failures, as well as the ability of the Offeror to learn from its failures and grow from its successes.

## **2. B.2 Organizational References (See Table 1)**

Points will be awarded based on an evaluation of the responses to a series of questions on the Organizational Reference Questionnaire (Appendix F). Offerors will be evaluated on references that show positive service history, successful execution of services, and evidence of satisfaction by each reference. References indicating significantly similar services/scopes of work and comments provided by a submitted reference will add weight and value to a recommendation during the evaluation process. Points will be awarded for each individual response up to 1/3 of the total points for this category. A lack of a response will receive zero (0) points.

The Evaluation Committee may contact any or all business references to validate the information submitted. If this step is taken, the Procurement Manager and the Evaluation Committee must all be together on a conference call with the submitted reference so that the Procurement Manager and all members of the Evaluation Committee receive the same information. Additionally, the Agency reserves the right to consider any and all information available to it (outside of the Organizational Reference information required herein), in its evaluation of Offeror responsibility per Section II.C.18.

## **3. B.4 Mandatory Specifications**

Offerors will be rated on a.) Proposed Audit Plan involving investment accounting; and the ability to meet the requirements under the section b.) Delivery and Reproduction as seen in Appendix C.

## **4. B.5 Desirable Specifications**

Offerors will be rated on prior investment accounting experience, including the depth, knowledge, size of portfolios, key personnel, and resources associated with auditing investing organizations.

## **5. C.1 Letter of Transmittal (See Table 1)**

Pass/Fail only. No points are assigned.

## **6. C.4 Campaign Contribution Disclosure Form (See Table 1)**

Pass/Fail only. No points are assigned.

## **7. C.5 Oral Presentation (See Table 1)**

Points will be awarded based on the quality, organization, and effectiveness of communication of the information presented, as well as the professionalism of the presenters and the technical knowledge of the proposed staff. Prior to the Oral Presentation, the Agency will provide the Offeror with a presentation agenda. (If no Oral Presentations are held, all Offerors will receive the maximum total points for this Evaluation Factor.)

**8. C.6 Cost (See Table 1)**

The evaluation of each Offeror’s cost proposal will be conducted using the following formula:

$$\frac{\text{Lowest Responsive Offeror’s Cost}}{\text{Each Offeror’s Cost}} \times \text{Available Award Points}$$

**9. C.7. New Mexico or Native American Resident Preferences**

Percentages will be determined based upon the point-based system outlined in § 13-1-21 NMSA 1978 (as amended).

**A. New Mexico Resident Business Preference / Native American Resident Business Preference**

If an Offeror has provided a copy of its New Mexico Resident Preference Certificate or Native American Resident Preference Certificate, the points awarded will be calculated as 5% of the total points available in this RFP.

**B. New Mexico Resident Veteran or Native American Resident Veteran Business Preference**

If an Offeror has provided a copy of its New Mexico Resident Veteran Preference Certificate or Native American Resident Veteran Preference Certificate, the points awarded will be calculated as 10% of the total points available in this RFP.

**C. EVALUATION PROCESS**

1. All Offeror proposals will be reviewed for compliance with the requirements and specifications stated within the RFP. Proposals deemed non-responsive will be eliminated from further consideration.
2. The Procurement Manager may contact the Offeror for clarification of the response as specified in Section II. B.7.
3. Responsive proposals will be evaluated on the factors in Section IV, which have been assigned a point value in Section V. The responsible Offerors with the highest scores may be selected as finalist Offerors, based upon the proposals submitted. In accordance with §13-1-117 NMSA 1978, the responsible Offerors whose proposals are most advantageous to the State, taking into consideration the Evaluation Factors in Section V, will be recommended for the award (as specified in Section II.B.12). Please note, however, that a serious deficiency in response to any one factor may be grounds for rejection regardless of the overall score.

### CAMPAIGN CONTRIBUTION DISCLOSURE FORM

Pursuant to the Procurement Code, Sections 13-1-28, *et seq.* NMSA 1978 and § 13-1-191.1 NMSA 1978 (2006), as amended by Laws of 2007, Chapter 234, a prospective contractor subject to this section shall disclose all campaign contributions given by the prospective contractor or a family member or representative of the prospective contractor to an applicable public official of the state or a local public body during the two years prior to the date on which a proposal is submitted or, in the case of a sole source or small purchase contract, the two years prior to the date on which the contractor signs the contract, if the aggregate total of contributions given by the prospective contractor or a family member or representative of the prospective contractor to the public official exceeds two hundred fifty dollars (\$250) over the two-year period. A prospective contractor submitting a disclosure statement pursuant to this section who has not contributed to an applicable public official, whose family members have not contributed to an applicable public official or whose representatives have not contributed to an applicable public official shall make a statement that no contribution was made.

A prospective contractor or a family member or representative of the prospective contractor shall not give a campaign contribution or other thing of value to an applicable public official or the applicable public official's employees during the pendency of the procurement process or during the pendency of negotiations for a sole source or small purchase contract.

Furthermore, a solicitation or proposed award for a proposed contract may be canceled pursuant to Section [13-1-181](#) NMSA 1978 or a contract that is executed may be ratified or terminated pursuant to Section [13-1-182](#) NMSA 1978 if a prospective contractor fails to submit a fully completed disclosure statement pursuant to this section; or a prospective contractor or family member or representative of the prospective contractor gives a campaign contribution or other thing of value to an applicable public official or the applicable public official's employees during the pendency of the procurement process.

The state agency or local public body that procures the services or items of tangible personal property shall indicate on the form the name or names of every applicable public official, if any, for which disclosure is required by a prospective contractor.

**“Family member”** means a spouse, father, mother, child, father-in-law, mother-in-law, daughter-in-law or son-in-law of (a) a prospective contractor, if the prospective contractor is a natural person; or (b) an owner of a prospective contractor;

**APPENDIX C**  
**DRAFT CONTRACT**

**The Agreement in Appendix C represents the contract the Agency intends to use to make an award derived from the template provided by the New Mexico Office of the State Auditor. The State of New Mexico and the Agency reserve the right to modify the Agreement prior to or during the award process as necessary.**

Contract No. [FILLED IN BY OSA-CONNECT]

**STATE OF NEW MEXICO  
AUDIT CONTRACT  
(State Agencies with GSB/CRB Approval)**

[FILLED IN BY OSA-CONNECT]

---

hereinafter referred to as the "Agency," and

[FILLED IN BY OSA-CONNECT]

---

hereinafter referred to as the "Contractor," agree:

**As required by the Audit Rule, NMAC Section 2.2.2.1 et seq., Contractor agrees to, and shall, inform the Agency of any restriction placed on Contractor by the Office of the State Auditor pursuant to NMAC Section 2.2.2.8, and whether the Contractor is eligible to enter into this Contract despite the restriction.**

**1. SCOPE OF WORK** (Include in Paragraph 26 any expansion of scope)

- A. The Contractor shall conduct a financial and compliance audit of the Agency for Fiscal Year 2021 in accordance with auditing standards generally accepted in the United States of America, *Government Auditing Standards, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, the Audit Act and the Audit Rule (NMAC Section 2.2.2.1 et seq.).

**2. DELIVERY AND REPRODUCTION**

- A. In order to meet the delivery terms of this Contract, the Contractor shall deliver the following documents to the State Auditor no later than **sixty days** after the Financial Control Division of the Department of Finance and Administration (FCD of DFA) provides the State Auditor with notice that the Agency's books and records are ready and available for audit, and in any event no later than the deadline set forth for the Agency in NMAC Section 2.2.2.9:
- (1) an organized, bound and paginated hard copy of the Agency's audit report for review;
  - (2) a copy of the signed management representation letter provided to the IPA by the Agency as required by AU-C 580; and
  - (3) a copy of the completed State Auditor Report Review Guide available at [www.osanm.org](http://www.osanm.org);

- B. In accordance with FCD requirements, the Agency, with the help of the Contractor, shall identify a schedule of audit deliverables and agreed-to milestones for the audit to ensure that the Agency's books and records are ready and available for audit and the Contractor delivers services on time. The deadline of sixty days shall be based on the schedule of audit deliverables and agreed upon milestones; however, the deadline **shall not extend beyond the deadline set forth for the Agency in NMAC Section 2.2.2.9**. This requirement does not prevent the Contractor from performing interim audit work prior to receipt of the DFA notice of agency preparedness.
- C. Reports postmarked by the Agency's due date will be considered received by the due date for purposes of NMAC Section 2.2.2.9. Unfinished or excessively deficient reports will not satisfy this requirement; such reports will be rejected and returned to the Contractor and the State Auditor may take action in accordance with NMAC Section 2.2.2.13. If the State Auditor does not receive copies of the management representation letter and the completed Report Review Guide with the audit report or prior to submittal of the audit report, the State Auditor will not consider the report submitted to the State Auditor.
- D. As soon as the Contractor becomes aware that circumstances exist that will make the Agency's audit report late, the Contractor shall immediately provide written notification of the situation to the State Auditor. The notification shall include an explanation regarding why the audit report will be late, when the IPA expects to submit the report and a concurring signature by the Agency.
- E. Pursuant to NMAC Section 2.2.2.10, the Contractor shall prepare a written and dated engagement letter that identifies the specific responsibilities of the Contractor and the Agency.
- F. After its review of the audit report pursuant to NMAC Section 2.2.2.13, the State Auditor shall authorize the Contractor to print and submit the final audit report. Within five business days after the date of the authorization to print and submit the final audit report, the Contractor shall provide the State Auditor an electronic version of the audit report, in PDF format, and the electronic copy of the Excel version of the Summary of Findings Form, Vendor Schedule, Fund Balances, and any GASB 77 data (if applicable). After the State Auditor officially releases the audit report by issuance of a release letter, the Contractor shall deliver [FILLED IN BY OSA-CONNECT] copies of the audit report to the Agency. The Agency or Contractor shall ensure that every member of the Agency's governing authority shall receive a copy of the report.
- G. The Agency, upon delivery of its audit report, shall submit to the Federal Audit Clearinghouse (FAC) the completed data collection form and the reporting package described in § 200.512 of Uniform Guidance for Federal Awards. The submission is required to be made within 30 calendar days of receipt of the auditor's report, or nine months after the end of the audit period.

**3. COMPENSATION**

- A. The total amount payable by the Agency to the Contractor under this Contract shall not exceed [FILLED IN BY OSA-CONNECT] **plus applicable gross receipts tax.**
- B. Contractor agrees not to, and shall not, perform any services in furtherance of this Contract prior to approval by the State Auditor. Contractor acknowledges and agrees that it will not be entitled to payment or compensation for any services performed by Contractor pursuant to this Contract prior to approval by the State Auditor.
- C. Total Compensation will consist of the following:

<b>SERVICES</b>	<b>AMOUNTS</b>
(1) Financial statement audit	[FILLED IN BY OSA-CONNECT]
(2) Federal single audit	[FILLED IN BY OSA-CONNECT]
(3) Financial statement preparation	[FILLED IN BY OSA-CONNECT]
(4) Other nonaudit services, such as depreciation schedule updates	[FILLED IN BY OSA-CONNECT]
(5) Other (i.e., foundations or other component units, specifically identified)	[FILLED IN BY OSA-CONNECT]

Total Compensation = [FILLED IN BY OSA-CONNECT] plus applicable gross receipts tax

- D. The Agency shall pay the Contractor the New Mexico gross receipts tax levied on the amounts payable under this Contract and invoiced by the Contractor. Payment is subject to availability of funds pursuant to the Appropriations Paragraph set forth below.
- E. The State Auditor may authorize progress payments to the Contractor by the Agency; provided that the authorization is based upon evidence of the percentage of audit work completed as of the date of the request for partial payment. Progress payments up to 70% do not require State Auditor approval, provided that the Agency certifies receipt of services. The Agency must monitor audit progress and make progress payments only up to the percentage that the audit is completed prior to making such payment. Progress payments of 70% or more but less than or equal to 95% require State Auditor approval after being approved by the Agency. If requested by the State Auditor, the Agency shall provide a copy of the approved progress billings. The State Auditor may allow only the first 50% of progress payments to be made without State Auditor approval if the Contractor's previous audits were submitted after the due date. Final payment for services rendered by the Contractor shall not be made until a determination and written finding is made by the State Auditor in the release letter that the audit has been made in accordance with the provisions of this Contract and applicable rules of the State Auditor.

4. **TERM.**

THIS CONTRACT SHALL NOT BECOME EFFECTIVE UNTIL APPROVED BY THE STATE AUDITOR AND THE NEW MEXICO DEPARTMENT OF FINANCE AND ADMINISTRATION. Unless terminated pursuant to Paragraphs 5 or 19, this Contract shall terminate one calendar year after the date on which it is signed by the Department of Finance and Administration.

5. **TERMINATION, BREACH AND REMEDIES**

A. This Contract may be terminated:

- (1) By either party without cause, upon written notice delivered to the other party and the State Auditor at least ten (10) days prior to the intended date of termination.
- (2) By either party, immediately upon written notice delivered to the other party and the State Auditor, if a material breach of any of the terms of this Contract occurs. Unjustified failure to deliver the report in accordance with this Contract shall constitute a material breach of this Contract.
- (3) By the Agency pursuant to Paragraph 19, immediately upon written notice to the Contractor and the State Auditor.
- (4) By the State Auditor, immediately upon written notice to the Contractor and the Agency after determining that the audit has been unduly delayed, or for any other reason.

B. By termination, neither party may nullify obligations already incurred for performance or failure to perform prior to the date of termination. If the Agency or the State Auditor terminates this Contract, the Contractor shall be entitled to compensation for work performed prior to termination in the amount of earned, but not yet paid, progress payments, if any, that the State Auditor has authorized to the extent required by Paragraph 3(E). If the Contractor terminates this Contract for any reason other than Agency's breach of this Contract, the Contractor shall repay to the Agency the full amount of any progress payments for work performed under the terms of this Contract.

C. Pursuant to NMAC Section 2.2.2.8, the State Auditor may disqualify the Contractor from eligibility to contract for audit services with the State of New Mexico if the Contractor knowingly makes false statements, false assurances or false disclosures under this Contract. The State Auditor on behalf of the Agency or the Agency may bring a civil action for damages or any other relief against a Contractor for a material breach of this Contract.

D. **THE REMEDIES HEREIN ARE NOT EXCLUSIVE, AND NOTHING IN THIS SECTION 5 WAIVES OTHER LEGAL RIGHTS AND REMEDIES OF THE PARTIES.**

6. **STATUS OF CONTRACTOR**

The Contractor and its agents and employees are independent contractors performing professional services for the Agency and are not employees of the Agency. The Contractor

and its agents and employees shall not accrue leave, retirement, insurance, bonding, use of state vehicles or any other benefits afforded to employees of the Agency as a result of this Contract. The Contractor agrees not to purport to bind the State of New Mexico to any obligation not assumed under this Contract unless the Contractor has express written authority to do so, and then only within the strict limits of that authority.

7. **ASSIGNMENT**

The Contractor shall not assign or transfer any interest in this Contract or assign any claims for money due or to become due under this Contract.

8. **SUBCONTRACTING**

The Contractor shall not subcontract any portion of the services to be performed under this Contract without the prior written approval of the Agency and the State Auditor. An agreement between the Contractor and a subcontractor to subcontract any portion of the services under this Contract shall be completed on a form prescribed by the State Auditor. The agreement shall be an amendment to this Contract and shall specify the portion of the audit services to be performed by the subcontractor, how the responsibility for the audit will be shared between the Contractor and the subcontractor, the party responsible for signing the audit report and the method by which the subcontractor will be paid. Pursuant to NMAC Section 2.2.2.8, the Contractor may subcontract only with independent public accounting firms that are on the State Auditor's List of Approved Firms, and that are not otherwise restricted by the Office from entering into such a contract.

9. **RECORDS**

The Contractor shall maintain detailed time records that indicate the date, time, and nature of services rendered during the term of this Contract. The Contractor shall retain the records for a period of at least five (5) years after the date of final payment under this contract. The records shall be subject to inspection by the Agency or the State Auditor. The Agency or the State Auditor may audit billings both before and after payment. Payment under this Contract shall not foreclose the right of the Agency or the State Auditor on behalf of the Agency to recover excessive or illegal payments.

10. **RELEASE**

The Contractor, upon receiving final payment of the amounts due under the Contract, releases the State Auditor, the Agency, their respective officers and employees and the State of New Mexico from all liabilities, claims and obligations whatsoever arising from or under this Contract. This paragraph does not release the Contractor from any liabilities, claims or obligations whatsoever arising from or under this Contract.

11. **CONFIDENTIALITY**

All information provided to or developed by the Contractor from any source whatsoever in the performance of this Contract shall be kept confidential and shall not be made available to any individual or organization by the Contractor, except in accordance with this Contract or applicable standards, without the prior written approval of the Agency and the State Auditor.

**12. PRODUCT OF SERVICES; COPYRIGHT AND REPORT USE**

Nothing developed or produced, in whole or in part, by the Contractor under this Contract shall be the subject of an application for copyright by or on behalf of the Contractor. The Agency and the State Auditor may post an audited financial statement on their respective websites once it is publicly released by the State Auditor. The Contractor agrees that the Financial Control Division of the Department of Finance and Administration (DFA) is free to use the audited financial statements in the statewide Comprehensive Annual Financial Report (CAFR) and that the Contractor's audit report may be relied upon during the audit of the statewide CAFR, if applicable. However, DFA should not provide to any third party, other than the CAFR auditor, the Agency's draft audit reports or their opinion letters or findings.

**13. CONFLICT OF INTEREST**

The Contractor represents and warrants that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of services required under this Contract. Each of the Contractor and the Agency certifies that it has followed the requirements of the Governmental Conduct Act, Section 10-16-1, et seq., NMSA 1978, regarding contracting with a public officer, state employee or former state employee, as required by the applicable professional standards.

**14. INDEPENDENCE**

The Contractor represents and warrants its personal, external and organizational independence from the Agency in accordance with the *Government Auditing Standards 2011 Revision*, issued by the Comptroller General of the United States, and NMAC Section 2.2.2.8. The Contractor shall immediately notify the State Auditor and the Agency in writing if any impairment to the Contractor's independence occurs or may occur during the period of this Contract.

**15. AMENDMENT**

This Contract shall not be altered, changed or amended except by prior written agreement of the parties and with the prior written approval of the State Auditor. Any amendments to this Contract shall comply with the Procurement Code, Sections 13-1-28 through 13-1-199, NMSA 1978.

**16. MERGER**

This Contract supersedes all of the agreements, covenants, and understandings between the parties hereto concerning the subject matter hereof. No prior agreement or understanding, verbal or otherwise, of the parties or their agents shall be valid or enforceable unless embodied in this Contract. Contractor and Agency shall enter into and execute an engagement letter pursuant to NMAC Section 2.2.2.10, consistent with Generally Accepted Auditing Standards (GAAS) and Government Auditing Standards (GAGAS). **The engagement letter and any associated documentation included with or referenced in the engagement letter shall not be interpreted to amend this Contract. Conflicts between the engagement letter and this Contract are governed by this Contract, and shall be resolved accordingly.**

**17. APPLICABLE LAW**

The laws of the State of New Mexico shall govern this Contract. By execution of this Contract, Contractor irrevocably consents to the exclusive personal jurisdiction of the courts of the State of New Mexico over any and all lawsuits arising from or related to this Contract.

**18. AGENCY BOOKS AND RECORDS**

The Agency is responsible for maintaining control of all books and records at all times and the Contractor shall not remove any books and records from the Agency's possession for any reason.

**19. APPROPRIATIONS**

The terms of this Contract are contingent upon sufficient appropriations and authorization being made by the legislature or the Agency's governing body for the performance of this Contract. If sufficient appropriations and authorization are not made by the legislature or the Agency's governing body, this Contract shall terminate upon written notice being given by the Agency to the Contractor. The Agency's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. This section of the Contract does not supersede the Agency's requirement to have an annual audit pursuant to Section 12-6-3(A) NMSA 1978.

**20. PENALTIES FOR VIOLATION OF LAW**

The Procurement Code, Sections 13-1-28 through 13-1-199, NMSA 1978, imposes civil and criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for bribes, gratuities and kickbacks.

**21. EQUAL OPPORTUNITY COMPLIANCE**

The Contractor shall abide by all federal and state laws, rules and regulations, and executive orders of the Governor of the State of New Mexico pertaining to equal employment opportunity. In accordance with all such laws, rules, regulations and orders, the Contractor assures that no person in the United States shall, on the grounds of race, age, religion, color,

national origin, ancestry, sex, physical or mental handicap or serious medical condition, spousal affiliation, sexual orientation or gender identity be excluded from employment with or participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity performed under this Contract. If the Contractor is found not to be in compliance with these requirements during the life of this Contract, the Contractor shall take appropriate steps to correct these deficiencies.

**22. WORKING PAPERS**

- A. The Contractor shall retain its working papers of the Agency's audit conducted pursuant to this Contract for a period of at least five (5) years after the date shown on the opinion letter of the audit report, or longer if requested by the federal cognizant agency for audit, oversight agency for audit, pass through-entity or the State Auditor. The State Auditor shall have access to the working papers at the State Auditor's discretion. When requested by the State Auditor, the Contractor shall deliver the original or clear, legible copies of all working papers to the requesting entity.
- B. The Contractor shall follow the guidance of AU-C 210 A.27 to A.31 and AU-C 510 .A3 to .A11 in communications with the predecessor auditor and to obtain information from the predecessor auditor's audit documentation.

**23. DESIGNATED ON-SITE STAFF**

The Contractor's on-site individual auditor responsible for supervision of work and completion of the audit is [FILLED IN BY OSA-CONNECT]. The Contractor shall notify the Agency and the State Auditor in writing of any changes in staff assigned to perform the audit.

**24. INVALID TERM OR CONDITION**

If any term or condition of this Contract shall be held invalid or unenforceable, the remainder of this Contract shall not be affected.
